JUDGMENT

Koshy,J.

This is a petition for police protection. Petitioner is an Agriculturist. He wants to sell 110 rubber trees. It is his case that headload workers of two different areas are claiming the loading and unloading work and there is a dispute regarding the same.

2. Heard Government Pleader also.

3. In the above circumstances, first respondent is directed to contact the concerned Labour Officer and find out the location where the timber lies and which unions are entitled to do the work and effective police protection should be granted to remove the timber through registered headload workers in the area at the agreed rate provided there is no civil dispute.

The writ petition is disposed of accordingly.
